

Dog of the Week – Kiera

Meet Kiera, an adorable 4-month-old Belgian Malinois cross with a heart of gold.

Kiera is a sweet dog who is eager to find her forever home where she can thrive and grow. Despite her young age, Kiera has already captured the hearts of everyone she meets with her gentle and affectionate demeanour. She's a super sweet girl who loves nothing more than being by your side, whether it's cuddling up on the sofa or exploring the great outdoors.

Kiera is looking for owners who understand the needs of working breeds or active dogs. She thrives on exercise and mental stimulation, so she's seeking an active home where she can go on exciting walks and engage in stimulating activities.

A spokesperson for Dog Trust explained: "Kiera may be able to live with another friendly dog of similar size, providing her with companionship and playtime. However, she would still need her own space to play and burn off her abundant energy, so a home with an enclosed garden would be ideal.

"As a smart and eager-to-please pup, Kiera is already making progress with her housetraining and settling into a bedtime routine. She's a total foodie, which makes her a breeze to train, and she's eager to learn new tricks and commands. With calm and patient owners who can provide guidance and training, Kiera will continue to flourish and grow into a well-behaved companion.

"With her playful spirit and boundless energy, Kiera is ready to embark on all sorts of exciting adventures with her new family. From exploring new walking trails to attending training classes, Kiera is eager to put her mind and body to work in a loving and supportive environment.

"If you're ready to open your heart and home to a sweet and energetic pup like Kiera, she'll be sure to fill your life with love, joy, and endless puppy kisses."

If you think you could provide a home for Kiera or any of the 40 dogs currently available for rehoming, please contact the charity on 01506 873459.
