

# Lothian announce service improvements with 50 new jobs created

## Full details of timetable revisions below, with effect from March 24

Lothian Buses has announced improvements to many of the services across its network to enhance reliability and support customer growth, while creating 50 new jobs at the company.

The change will take effect on the Lothian network from Sunday 24 March, affecting Lothian Buses, East Coast Buses, Lothian Country and Nightbus services.

The UK's largest municipal bus company, Lothian buses has been based in the city for over 100 years and is one of the region's largest employers, with over 2,500 staff.

**Sarah Boyd, Lothian Managing Director** said:

*"We are pleased to be able to offer further improvements to our network of services, building on the success of changes we made in September last year.*

*"Responding to customer feedback, we have adapted frequencies and capacity on several routes to ensure that we continue to deliver the best possible service for our customers and the communities we serve."*
