

Make connections through Mid and East Chamber

Midlothian and East Lothian Chamber host their next Business Connection meeting on Wednesday, February 28 (8.30am to 10.30am) at The Beacon, Hunterfield Road, Gorebridge EH23 4TT.

There are no speakers and no agenda but this is a platform to promote your business to a room full of like-minded business people.

One member will be selected from a hat to do a five minute slot to promote their business in front of the whole audience.

All other attendees will have the opportunity to participate in round table power networking, exchange business cards, develop new prospects and share a 60-second pitch with each table.

Karen Ritchie, the chamber's CEO, said: "You can expect to enjoy an excellent breakfast with like-minded people, make new connections through informal networking and receive an introduction if there's someone you'd like to meet.

"Hopefully, you will find new local customers and suppliers and if this is your first breakfast, or you haven't attended in a while, the Chamber team are always on hand to make introductions."

The cost includes a breakfast buffet with coffee and tea, £18

including VAT for members) and £24 including VAT for non-members.
