

Gucci to grace Multrees Walk with its presence

Gucci has announced it will add its presence to Multrees Walk, the luxury shopping street at Edinburgh's east end.

This will be the first such store outside London for the brand which is part of the global group Kering which manages "renowned Houses in the fashion, leather goods, jewellery and eyewear" sectors.

The luxury Italian shop will take up the large 4,700 square metre space formerly occupied by Hugo BOSS and Caffè Nero, and will join the likes of Louis Vuitton, Mulberry and Johnstons of Elgin.
