NEW RELEASES ANNOUNCED AT CAMELOT HOLIDAY PARK

- Luxury Holiday Homes from ABI now available, with site fees paid until 2025.

Camelot Holiday Park at Longtown in Cumbria has released more fully furnished holiday homes at its latest development, The Paddocks.

The ABI Coworth (£55,000), together with the ABI Ambleside (£80,000) are both available now. These industry-leading luxury holiday homes are turnkey properties, fully furnished and decorated homes and equipped with features such as luxury fitted kitchens with integrated appliances, en-suites, dressing areas, full decking, private driveways, cosy snugs and floor to ceiling height windows.

Family run and with a secure gated entrance, Camelot Holiday Park enjoys a convenient location with easy access to the main road network of the north-west of England, and there are easy connections to and from Scotland.

The current special incentive, available to those who buy a holiday home before the end of April, is for the park to pay the buyers' site fees, normally over £2,000 a year, until next year.

As well as ABI, one of the UK's top manufacturers, Camelot Holiday Park partners other top brands, such as Atlas, Victory and Carnaby.

On the doorstep to Camelot Holiday Park are many leading attractions such as Gretna Green, Hadrian's Wall, Tullie House, the Vintage Motorbike museum, and Solway Aviation Museum – plenty to see and experience for those holidaying in the area. As the park is open a full 12 months of the year you can enjoy your holiday home any time, letting family members use it when you are not, if you wish. The park also has residential park homes where you can live permanently as it enjoys full residential status.

“We are delighted to be bringing more luxury holiday homes to Camelot Holiday Park. We have brought together, what we believe, to be one of the finest selections of holiday homes in the north-west of England,” said William Stewart, park owner.

“With our free site fees offer still running, and selected homes at 2023 prices, there's never been a better time to buy at our beautifully situated Paddocks development. The properties here enjoy really stunning views, and there's plenty of peace and quiet.”

All homes are complete with useable outside space, decked area and private driveways.
