

# Missing person – police appeal for help in finding Steven Auld

Officers in Edinburgh are appealing for information to trace Steven Auld, who has been reported missing from the city.

The 51-year-old was last seen in the Sighthill Grove area around 8.30pm on Monday, 18 March, 2024.

Steven is described as 5ft 7ins tall, with short brown hair.

Inspector Paul Thomson said: “We are carrying out enquiries and I’m appealing for any information which may help us trace Steven.

“It is out of character for him to be away from his family for this length of time.

“Steven, if you see this appeal, please make contact with police so we can ensure you’re safe and well.”

Anyone with information should contact Police Scotland on 101, quoting reference 0693 of 19 March.
