

Outboard is open again for the summer

After a short winter break, Buzzworks has announced the reopening of its dog-friendly summer hotspot, Outboard by Scotts in South Queensferry on Friday.

Outboard is next door to Scotts Bar & Restaurant at Port Edgar Marina in a picturesque marina setting and is actively seeking to recruit new members of staff to a larger team help out during the season.

With industry-leading benefits for its senior positions and teams, including competitive rates of pay, ongoing training and development, career progression, flexible working and health and wellbeing incentives, there is also a range of opportunities on offer at Buzzworks, which was recently named once again in the Top 100 places to Work in the UK.

From Friday, March 22, between 8.30am and 5.00pm, customers can once again enjoy the hospitality and the views that have made Outboard popular with locals and tourists.

Guests will be able to enjoy a new menu with beers and cocktails, hopefully during some long sunny summer evenings ahead.

Reece Wood, Operations Manager at Buzzworks said: "We're excited to kick off another fantastic season at Outboard. Our team has been hard at work preparing for the reopening, and we can't wait to welcome back familiar faces and introduce

newcomers to our unique dining experience.”

The venue will be open seven days over the Easter holidays and from then every Wednesday-Sunday. Its extensive menu will feature everything from breakfast rolls to an all day menu featuring bubble fish & chips, chicken tempura, a hearty selection of burger buns, salad bowls, as well as toasties and homemade traybakes.

With a reputation as a family-friendly establishment, Outboard invites guests to bring along dogs.

Reece said: “We’re gearing up for an exciting season ahead at Outboard, and we’re searching for passionate individuals to join our crew.

“If you’re ready to dive into a rewarding opportunity, we’d love to have you on board. Spread the word to friends and family – we’re ready to welcome new faces to our team as we prepare to wow guests over the sunnier seasons.”

The team behind Buzzworks, which has been named in the Best Companies to Work for List consistently over the past few years, is looking forward to another fantastic season of serving up superb food and drink to customers in Outboard.
