

Roadworks in Edinburgh next week

This is the most up to date list of roadworks and events leading to road closures or diversions for traffic in Edinburgh for the next week or so.

If you see anything on the roads which is not on the list then let the travel team know on Twitter [@EdinTravel](https://twitter.com/EdinTravel)

Updated versions of the listings are posted to the website most weekday afternoons, these can be found by going to <https://www.edinburgh.gov.uk/edintravel>

In this list you will find that where the newly opened City Centre West to East Link (CCWEL) has just been constructed and officially opened, BT will carry out some cabling works on the inside lane on 24 and 25 March.

At the other end of the CCWEL the road at Coltbridge Avenue will be closed to allow for a bridge inspection on 4 April.

Princes Street will be closed on 1 April for network maintenance on Edinburgh Trams.

Some entries for May, June and July are also included in the list and may be worth knowing about – the A1 will be closed from 6 May to 29 June at nights for carriageway resurfacing.
