

Drummond Trinity announce cricket captains

Drummond Trinity cricket club will be fielding five teams in this season's ESCA Championship with the top side in Division One.

The target is, of course, to secure promotion to the Eastern Premiership and continuity will be provided by Uday Kuchadi returning as 1st X1 and club captain.

Fresh from their championship victory in Division Three last year the 2nd X1 step up a league under the leadership of Hassan Anwar. Priority for this promoted side is to solidify their position while providing robust support for the 1st X1.

Pavan Pamarthi takes over as captain of the 3rd X1 who will be playing in Division Four while Yungender Gubbala will take the helm of the 4th X1 in Division Five.

Under the guidance of newly appointed captain Naveen Thota the 5th X1 will be competing in Division Seven.
