

Mary gets Postal Bowling Club season underway

Mary McCardle, wife of new president Scott McCardle, delivered the first jack and the season was underway at Postal Bowling Club.

Afterwards a vice president's team defeated a president's team in the first competitive outing of 2024 for members.

The photo below shows the bowlers from the Seafield club beautifully attired in their club tops on opening day.

The season is also up and running at Seafield Bowling Club (pictured).
