

Restoration Yard now stocks Mimi's cakes and bakes

Well-known family run bakery Mimi's Bakehouse has arrived at The Coffee Bar in Restoration Yard in Dalkeith.

This is the first location in Midlothian which will stock Mimi's cakes and bakes including the cupcakes, cookies biscuits and seasonal treats for which the brand is known. And to reflect the move Mimi's have created the RY pink elephant cupcake. It has a strawberry base, strawberry buttercream and is filled with a "burst of strawberry cream".

Mimi's Chief of Operations Ashley Harley is pleased about the new outlet. She said: "Teaming up with Restoration Yard allows us to reach a wider audience and share our passion for baking with even more people," says Ashley Harley, Chief of Operations at Mimi's Bakehouse. "We're delighted to contribute our expertise to The Coffee Bar's offering and look forward to delighting customers with our delicious creations."

Ross McGregor, Commercial Director at Dalkeith Country Park said: "We are thrilled to partner with Mimi's Bakehouse and bring this exciting collaboration to life. Their dedication to their craft perfectly complements our own ethos here at Restoration Yard, and we are confident that together, we will continue to deliver an exceptional experience for our visitors."
