

# Brewing industry top names in Gravity line-up

The Gravity Beer Festival have named its line-up for this year and the list features esteemed names in the industry.

They include Closet Brewing, Crossover Blendery, DEYA, Drop Project Brewing Co, Full Circle Brew Co, Moonwake Beer Co, Six Degrees North, Talking Tides Brew Co, Tartarus Beers, Tempest Brewing Co, Timothy Taylor's, Timmermans, Two By Two Brewing Co as well as Ascension Cider.

Over 900 attended last year and the dates this time are September 27 and 28 and Andrew Barnett, the mastermind behind Barney's Beer and the Gravity Beer Festival, said: "We've taken everything we learned from our first event last year and, again, curated a list of brewers who all make fantastic beer of various styles and flavours from all around the country – and internationally – so that there's something for everyone."

With an all-inclusive ticket, attendees will receive a branded glass and unrestricted access to the festival's beer halls, where they can savour a wide array of brews from across Scotland, and the North East – as well as from the rest of the UK, and even Belgium.

Tickets can be found on Gravity's website <https://www.gravitybeerfestival.co.uk/>
