

Hotel and golf club partner up at tee time

The Lundin Golf Course, the Old Manor Hotel has announced that it has formed a partnership with Lundin Golf Club, offering its hotel customers the opportunity to book their golf at Lundin Golf Club when they book their accommodation, and taking advantage of discounted golf rates.

Lundin Golf Club General Manager, Martin Ball said: “We are delighted that the Old Manor has reached out to establish this new partnership.

“We are very glad to see that the Hotel, which we know has been subject to a great deal of investment and refurbishment over the past two years, doing so well, and bringing so many golfers to the area.

“Let’s hope for a very busy summer season where we all prosper and boost the local economy at the same time.”

Steven Carleschi, Operations Manager, Old Manor Hotel, said: “The many fantastic golf courses within just a short distance of the hotel are a huge draw for our guests. Lundin Golf Course itself is right on our doorstep, and as such, we are really pleased to be collaborating together. It’s always the course that we hear our golfing customers commenting on,

saying how spectacular the views are, and that they can't wait to go out and discover it. We're building the hotel as very much a short break golfing destination so would like to thank Martin and his team once again for working with us."
