

# Edinburgh Art Festival – Jupiter Rising

There is a one night only event at Jupiter Artland this August when the art venue collaborates with Edinburgh Art Festival (EAF) to stage JUPITER RISING X EAF.

This is an artist driven music and art festival partnering up with EAF for the second year and throwing a party featuring experimental music, poetry, artist performance, and the late night stage.

The theme is Queer Summer Fête with bright bunting and gaypole dancing.

With the full line up to be announced, organisers have announced that the event will be opened with a special Scottish launch with **Gemma Rolls-Bentley** to launch her latest book [Queer Art : From Canvas To Club, And The Spaces Between](#) with EAF24 artist Prem Sahib.

Later in the evening JUPITER RISING x EAF will welcome back Sgàire Wood for Sgàiraòke, before we dance the night away at the infamous late-night stage, this year curated by Femmergy – an intersectional, open space to celebrate femme art and music.

Explore the park after hours with Jupiter Artland's summer exhibitions Andrew Sim and Laura Aldridge open until 7:30pm.
