

# Extras needed for filming in Edinburgh

The new NETFLIX feature film, **Prodigal Father** is being filmed in Edinburgh and Glasgow. Two 10 Casting are recruiting now.

The Gothic period piece requires people aged 18+ and experience is not necessary.

All roles are paid and filming will take place this summer.

If selected, it is likely you would only be required for a couple of days of filming, making it possible to work as a supporting artist alongside other commitments / jobs.
