Trams are 10

By **PHYLLIS STEPHEN**

IT IS NOW TEN YEARS since Edinburgh Trams began running the passenger service

from Edinburgh Airport to York Place. Actually on the first day the service began at the Gyle Stop with many people trying to be the first passengers to get on board.

Edinburgh Trams have now carried more than 60 million passengers in the last decade on a fleet of 27 trams and employ around 300 people in Edinburgh. Except during Covid

tram income has risen year on year. In 2014 the half year income was £4.782 million and this rose to £23.9 million in 2023.
