

Hibs Women announce signing of midfielder Linzi Taylor on a two-year deal

Hibs Women have announced the signing of midfielder Linzi Taylor on a two-year deal, running until the summer of 2026.

Capable of playing anywhere across the midfield, as well as in the defensive backline, Linzi becomes our second summer signing as Grant Scott continues to build his squad for the upcoming season.

A player most associated with Partick Thistle – Linzi joined the Glasgow outfit in January 2022, playing 84 times for the club, scoring 13 times and establishing herself in the first-team squad.

Before playing for Partick, Linzi also had a spell playing for Celtic early in her career before turning out for teams in Cyprus and Israel. She found professional football in Iceland, playing for Vikingur in 2021.

She also earned two international youth caps, playing alongside Siobhan Hunter, Claire Emslie and Caroline Weir for Scotland U15's against Germany.

Linzi will wear the number 31 for Hibs.

On her move to the club, Linzi said: "I'm delighted to be here; I know that Hibs is a massive Club in Scottish Football and I'm over the moon to be signing here. I've spoken with Grant and Stewart, and I know the goals and ambitions they have for next year and I can't wait to get started."

Grant Scott was also pleased to welcome Linzi to the Club: "I'm delighted to bring Linzi to Hibs.

"Myself and the coaching staff have been watching her closely over the past season and we're pleased she's decided to make Hibernian her next move.

"Her skill set and dedication are exactly what we need as we continue to strengthen our squad.

"Linzi's experience of the league will be invaluable, and we look forward to seeing her impact the team over the upcoming campaign and beyond."
