

# Holiday park brings back the eighties

## Retro nights with entertainment from the 80s and 90s are so popular with their customers that Pettycur Bay Holiday Park is running a night with The Spangles on Saturday 31 August

This retro musical show, showcasing some of the most popular 80s and 90s hits, with top performers The Spangles, who perform all over the UK, is one of only a few yearly, chargeable headline shows that the Holiday Park stages.

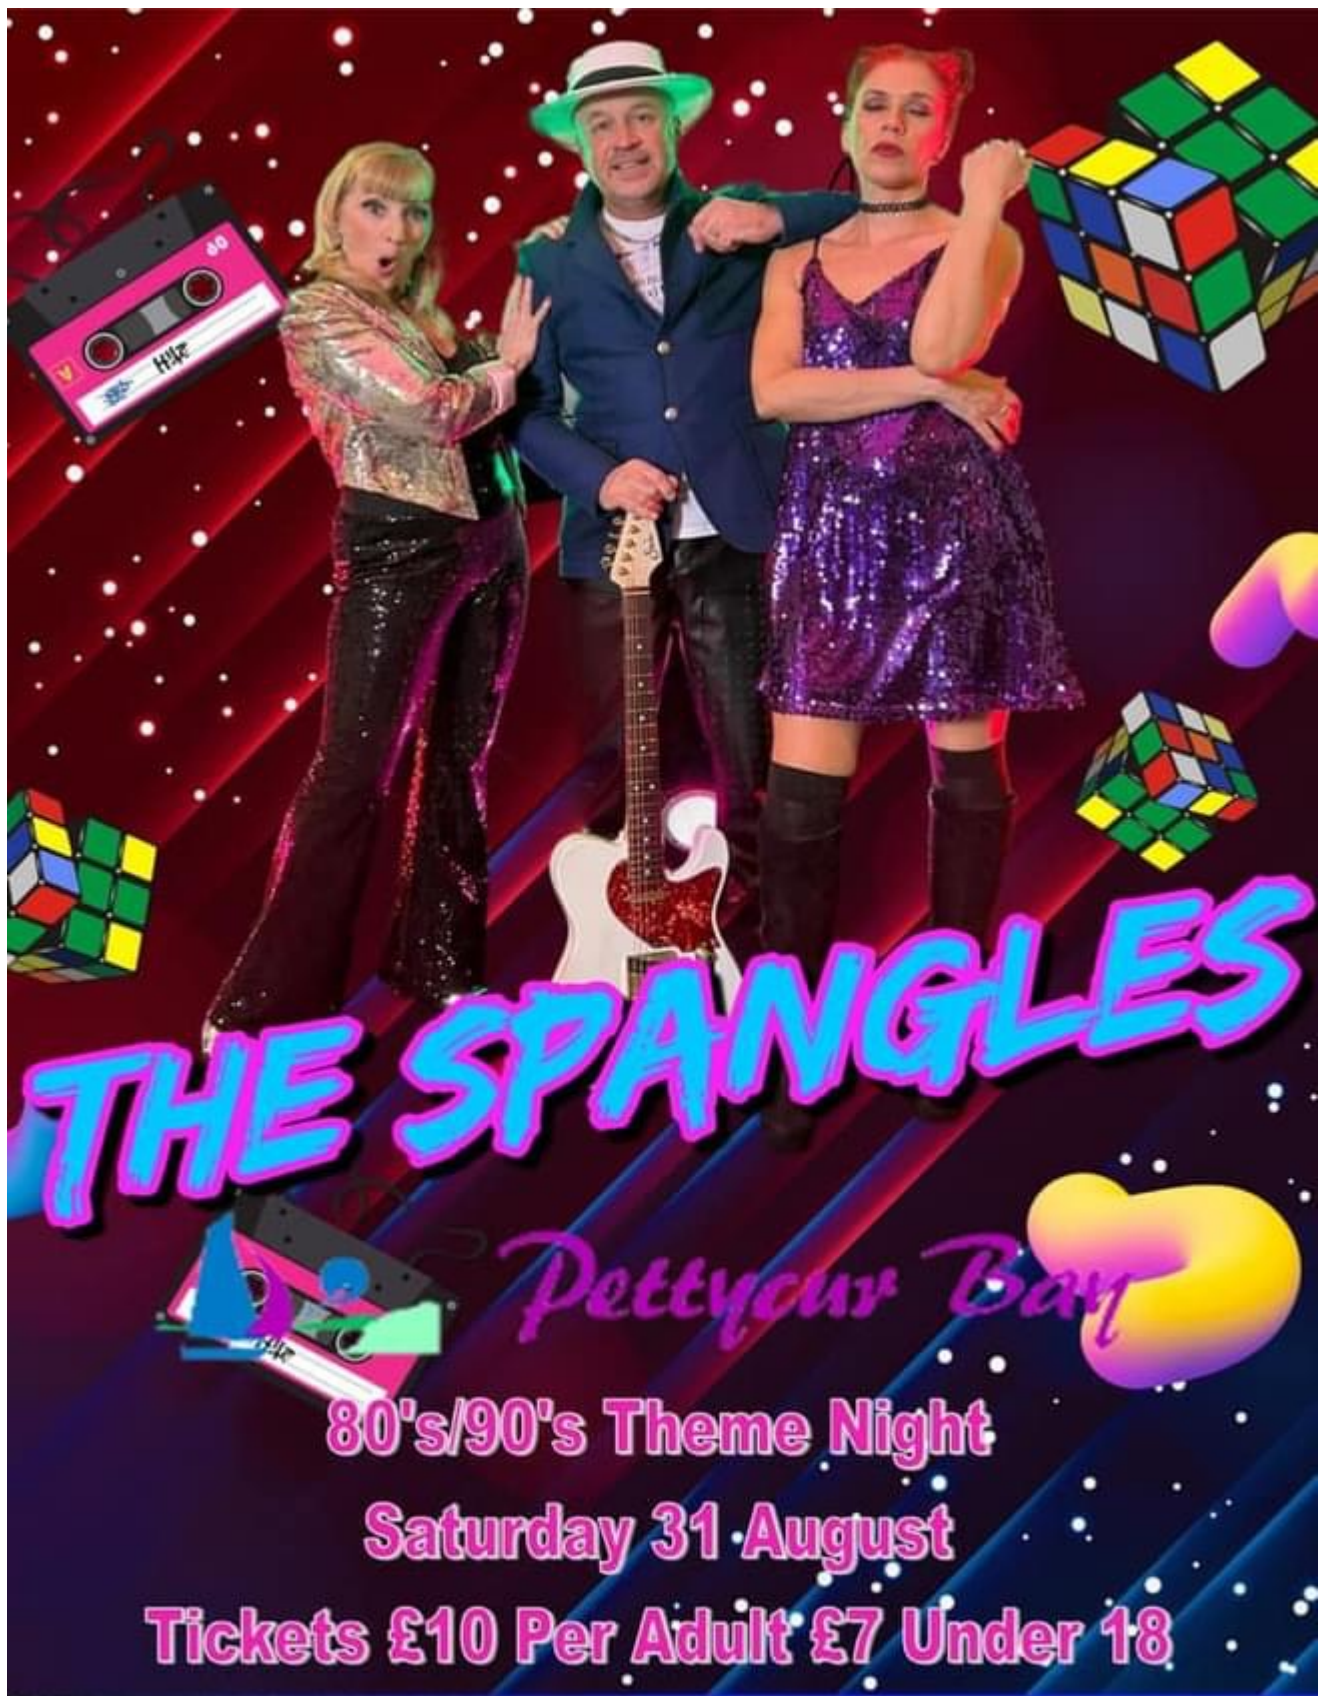

At £10 per ticket for adults, and £7 for under 18s, the price point is good value for money given the status of The Spangles.

Janet Murray, General Manager of the Holiday Park said: “We are very excited to announce that The Spangles are coming later this summer.

“Tribute Nights are always very popular anyway, but these guys really know how to put on a show. We are sure that this is going to be highly sought-after, so our advice is to get your tickets now as soon as you can. And don't worry you can bring under 18s along to this. This is the first time that The Spangles have played for us and we want to give them a warm Pettycur welcome.”
