

It's almost time for the White Heather Club

On Thursday evening the [White Heather Club](#) begins twirling at Bonnie & Wild in St James Quarter.

The entertainment begins at 8pm and everyone is welcome to come along for a dance, and maybe a spot of dinner and a drink too.

Dancers will be enjoying lively Scottish country music from Charlie Kirkpatrick and his band, who'll be encouraging everyone to dance to Strip the Willow, Dashing White Sergeant, Gay Gordons, and the Canadian Barn Dance.
