

Leith Festival – some photos

Leith Festival is a big week running until 16 June when the community tattoo will take place at Malmaison Plaza.

The Gala Day took place in Leith Links on Saturday – our photos show some of the people setting up stalls in the morning.

Leith Festival is all about the community of Leith. A local festival run by Leithers, for Leithers. Where visitors from 'up the toon' and further afield are welcome to join us for a week of entertainment, performance, festivities and fun.

The programme is embedded below our photos and you can [click on it here](#).

Although the weekend is past there are still many events to entertain you this week including the Leith Comedy Festival.
