

Beaverhall Studios holding an open weekend

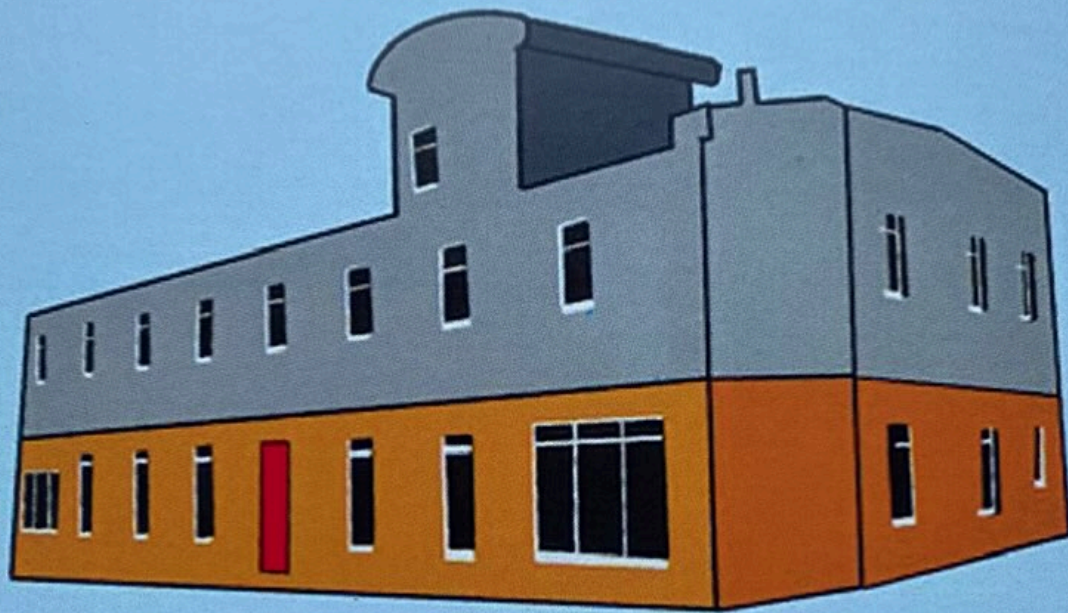

The group of four artists which make up Beaverhall Art Studios at 6 Beaverhall Road are holding an open weekend in August.

On the weekend of 17 and 18 August between 10am and 5pm anyone can visit. This is part of the Fringe and offers an opportunity to see the work by Sheila McDonald who designs and makes jewellery and objects in precious metal, all with colourful enamel decoration, and Rona MacLean whose prints and paintings are inspired by her interest in the natural world.

Lucy MacLeod shows her love of textile crafts in her upholstery, rugs and smaller fabric pieces, and Ann Shearer uses metal folding and forming techniques to create silver jewellery and decorations.

Venue 425 Beaverhall Art Studios EH7 4JE.
