Fire reported in Leith Docks

A fire has broken out in Leith Docks this lunchtime.

Witnesses reported several fire appliances arriving at the scene.

A Scottish Fire and Rescue Service spokesperson said: "We are currently in attendance at a fire at Leith Docks, Edinburgh.

"We were alerted to the incident at 12.51pm and Operations Control immediately mobilised 9 appliances, including one height appliance, a heavy rescue unit, an incident support unit and a rapid response unit.

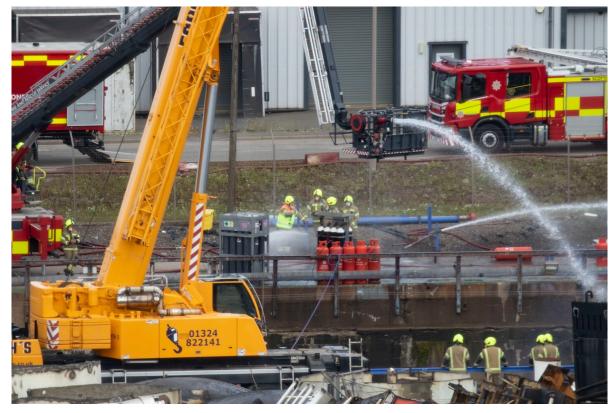

"Fire crews remain at the scene."
