The Eric Liddell Community

Gold Standard

City marks the centenary of The Flying Scotsman

By PHYLLIS STEPHEN

IT WILL BE 100 YEARS this month since athlete and missionary, Eric Liddell, won an Olympic gold medal in Paris. The story of his victory was the real-life inspiration for the film, Chariots of Fire, and he was not only a sprinter, but also a rugby player, winning seven caps for Scotland and working as a Christian missionary in China.

While he studied at the University of Edinburgh he also played sport for his country - although he had been born in Qing China where his Scottish parents were missionaries.

At the 1924 Olympics he would not run in the heats for the 100 metres race as these were held on a Sunday when he did not play sport. He then competed in the 400 metres heat held on a weekday, and - even though this was not "his" distance - he won.

His name has been given to The Eric Liddell Community (ELC) at Holy Corner which will celebrate the life of their namesake with a series of events this month. ELC is a registered care charity based at Holy Corner where they provide specialist dementia care and help people to overcome loneliness and isolation. The charity, which has HRH The Princess Royal as patron, has begun a fundraising campaign during this year to help them continue with their important work.
