

Fringe 2024 – Dance ‘n’ Speak Easy

This group of World Champion hip-hop dancers promises an afternoon of high energy entertainment for all the family.

The show has humour, dance, music and rhythms from remixes of Miles Davis, James Brown and a flavour of Latin America thrown in. Charleston meets Jitterbug and freestyle hip-hop in dazzling dance routines.

With some Italian attitude and spirited harmonies of Irish migrants this is an invitation to step into the roaring twenties of the last century.

1-26 August at 3.25pm in McEwan Hall.
