Soaked in rich traditions related to faith, forgiveness, and renewal, the Jubilee offers the platform to bring millions at one time from every corner of the world in spirituality and communal harmony.

The event represents not only a moment for spiritual contemplation but also a showcase for the vast tapestry of culture that exists in Italy. Jubilee, or Holy Year, is an ancient tradition stemming from the Jewish custom of a year of rest for the land every 25 years. It has evolved from a Christian appropriation of the practice into a year of pilgrimage, prayer, and quest for plenary indulgence.

The Theme

The next Jubilee will be under the theme 'Peregrinantes in Spem' [Pilgrims in Hope], which begins with the solemn opening of the Holy Doors of the four major Papal Basilicas in Rome on Christmas Eve of 2024. In effect, by the act, an invitation has been extended to both the believer and the non-believer to step into hope and spiritual renewal. You don't have to be a Christian to appreciate the teachings and learnings of the holy religion.
