

Hibs take 24 players to pre-season training camp in Holland

David Gray and his coaching staff travelled to Holland yesterday with 24 players making the trip.

Allan Delferrière and Jake Doyle-Hayes haven't travelled to the training camp due to illness.

After signing last week, new boys Josef Bursik, Marvin Ekpiteta and Warren O'Hora will now be fully integrated into First Team training, alongside the players who returned to pre-season at a planned later date.

The Hibs party will return in exactly a week's time (Monday 8 July, 2024), competing in two games against MSV Duisburg and PAOK.
