

# Fringe 2024 – LOST...FOUND

On the heels of a major childhood event, K. Lorrel Manning's *LOST...FOUND* takes you on a soul-searching, delightfully human roller-coaster ride through music, unlikely heroes and the artist formerly known as Prince.

An autobiographical story, *LOST...FOUND* is about the catharsis of the truth and using art to heal. Through baring his soul and putting a stop to feeling ashamed of his past, Lorrel shows us the power of art.

Assembly Roxy (Outside), Thursday 1<sup>st</sup>– Monday 26<sup>th</sup> August 2023 (not 13<sup>th</sup>, 20<sup>th</sup>) at 13:30. **THEATRE**
