Fringe 2024 – Somewhere – out there looking for a reviewer…

The cast of Somewhere are at the Space on Niddry Street for a short run of their family friendly new musical. The run ends on Saturday and they would love to have a professional review.

We are a little thin on the ground when it comes to reviewers so if anyone out there has seen the show or is going to the show then feel free to leave a comment below with your review. (and remember the stars!)

Created by Sarah Bishop, Somewhere is a brand-new fantasy musical with music and lyrics by internationally acclaimed indie-folk duo The Dunwells and other established Yorkshire singer-songwriters. Set in the mythical kingdom of Bywell, you will be enchanted as you follow the magical story of the shattered Somewhere mirror and the tale of Meredith who is cruelly parted from her family as a young princess. Expect breathtaking new musical theatre numbers, intriguing characters and a heartwarming storyline.

The play is brought to Edinburgh by a small company called By The Play.
