

Fringe 2024 – Titswingers

Polyamorous queer pirates Anne Bonney and Mary Read earned the title the ‘Hellcats of the Seven Seas’ for their vicious and notorious crimes, but they’re better remembered for fighting with their tits out!

And now they’re writing their own sea shanties, becoming legends, and doing some HOT GIRL PIRATE SHIT in *Titswingers* by Abey Bradbury and Sam Kearney-Edwardes.

This new queer punk gig musical (with added pirates) combines punk rock, stand up, drag cabaret, sea shanty influencers and the vibe of a good old-fashioned bar brawl.

Pleasance Courtyard (Pleasance 2), Wednesday 31st July – Monday 26th August 2024 (not 7th, 14th, 21st) at 13:40. **GIG THEATRE**

The title of this [@edfringe](#) show with Abey and Sam who are two thirds of the cast tells you a lot about what you might see – but neatly combined with sea shanties and they are pirates... pic.twitter.com/N9bkrETIS2
