

# How To Rent a Car in Dubai without a Credit Card

Car rental is extremely popular in Dubai, as people prefer personal transport to calling a taxi. Client demand has improved the supply, and today, you can rent a car in Dubai produced by a top brand like Ferrari, Maserati, or Rolls-Royce. For example, Trinity Rental (<https://trinityrental.com/>) offers over 70 luxury brands with low mileage.

However, many clients don't consider paying via a credit card. So, what options do they have in this case? This article explores whether a car rental in Dubai without a credit card is possible. We will explain the options, what companies should consider, and other vital facts.

## Rental Agencies in Dubai and What They Offer

Dubai has many car rental agencies, each offering different services, and Trinity Rental is one of the best options. It provides excellent services that make the rental process more accessible, mainly because of the no-deposit policy and the acceptance of different payment methods, including cryptocurrency.

So, if you're seeking an agency for a car rental without a credit card, consider this company. Here's what it offers:

- Rent without a deposit. Many agencies require an additional deposit to ensure that additional costs are covered. Trinity Car Rental only asks for payment for the selected rental period for a luxury car.

- VAT, 300 km of mileage, full insurance, a full gas tank, toll roads, and a personal manager – all included in the price. There are no hidden fees, commissions, and so on. It's convenient, as you can plan your budget for the trip.
- All forms of payment. Here's why Trinity Rental may be your top choice if you don't want to pay via a credit card: it accepts cash, and cryptocurrency. If you want to use a credit card, Trinity Rental accepts Visa and Mastercard.
- Service with a driver. Trinity Rental provides a personal chauffeur for a rental, which is truly a convenient option for those who do not want to bother themselves with driving.
- Have your hired car delivered specifically to the requested location in Dubas.
- Trinity Rental's car fleet includes more than 70 of the newest vehicles, including those of 2024.

Moreover, this agency provides better conditions for clients renting elite vehicles for longer periods. For example, a luxury car rental in Dubai of a Ferrari Roma costs 2700 AED daily if you select 1–3 days, but the price goes down if you choose 8–14 days (2100 AED per day).

#### Payment Methods to Rent an Exotic Car in Dubai

Exotic car rental in Dubai isn't limited to those with credit cards. Rental companies accept various payment methods. Here are all potential of the options you can consider:

- Cash. Many rental agencies accept cash payments. This method is simple and often preferred by those who want to avoid seeing car rentals in their credit card statements.
- Debit/credit cards. You can use your credit or debit card to rent a car. It is a convenient option many people prefer due to its prevalence and ease of usage.
- Cryptocurrency. It's no longer a payment method people fear or don't understand. Today, you can pay for everything with a crypto wallet with coins or tokens. Many companies, including the already mentioned Trinity Rental, accept cryptocurrencies, including Bitcoin, Ethereum, Tether, etc.
- Digital wallets/electronic payment systems. Some companies accept payments through digital wallets like PayPal, Neteller, and Skrill. This option offers a modern and easy way to pay, as many today prefer to keep money in e-wallets.
- Bank transfers. It's not the most popular method because of its long processing times and the fact that you reveal your purchase information to a bank, but it's still possible. It's one of the safest methods, though processing will take longer.

Most clients prefer cash, e-wallets, or cryptocurrencies. These are simple, fast, and secure methods that guarantee privacy.

How to Rent a VIP Car in Dubai without a Credit Card?

The process of renting a prestige vehicle depends on the chosen agency. However, we've prepared a short, simple, and universal guide:

1. Choose a rental company. Select a company like Trinity Rental that accepts various payment methods.
2. Check the requirements. Double-check that you have all necessary documents, such as your driving license, passport, and proof of residence.
3. Select your car. Pick a premium car you want to rent.
4. Choose your payment method. You can pay by cash, debit card, or another accepted method.
5. Complete the rental agreement. Sign the rental agreement and make the payment.

Then, the company will drive the car to your selected location. For instance, Trinity premium car rental in Dubai delivers vehicles to airports, hotels, office buildings, etc. Thus, you can hop into the car and drive where you want.

### Other Considerations

There are quite a few other factors, like not driving after drinking alcohol, avoiding the desert and racetracks, and so on. Here are some general things to consider:

- Documents and limits. Most companies ask clients to provide a passport/ID, visa, home country driver's license, an international permit, etc. Additionally, agencies have age restrictions and often lease vehicles

only to clients 21+.

- Vehicle condition. It's doubtful that you may spot an issue, but inspecting the car before you drive away is still recommended. Check for any existing damages and report them to the rental company.
- Rental terms. Read the rental terms carefully. Understand the mileage limits, fuel policy, and so on.
- Emergency services. The rental company provides emergency contact numbers. Knowing them is helpful in case you need assistance during your rental period.

To conclude, renting a luxury car in Dubai without a credit card isn't only possible and convenient with the right rental company. There are plenty of brands to choose from, like Maserati, Porsche, Lamborghini, Ferrari, and so on, that you can rent via cash, crypto, or other methods.
