

Rowe in for Tigers as Monarchs prepare

Glasgow Allied Vehicles Tigers have announced the signing of Anders Rowe on a 28-day deal to replace the unwell Steve Worrall on the eve of their re-arranged Cab Direct Championship home clash with Steller Omada Monarchs on Wednesday (7.30pm).

Rowe, a former National League Riders' Champion, comes after three recent guest appearances as Worrall is struggling to shake off the effects of Labyrinthitis.

Manager Cami Brown told glasgowtigers.co.uk: "We have moved to sign Anders with Steve's knowledge and blessing. Anders has been really impressive already for us. He was excellent in our home meeting with Poole and also at Edinburgh and Plymouth.

"We've obviously got some huge meetings coming up now if we are to reach the play-offs. It's a big ask but we will give it everything as a team."

Meanwhile, Berwick Jewson Bandits wrapped up their championship campaign with double defeat to Workington, leaving the Bandits in downbeat mood.

They suffered a host of tapes disqualifications and mechanical failures across the two meetings and the wooden spoon may be heading for Shielfield Park depending on future results elsewhere.

Manager Stewart Dickson (pictured) said: "Workington seemed to want it more than us which was disappointing. Four race winners at home tells its own story."
