

# Service changes on Lothian Buses

**There will be changes to the services on Lothian Buses implemented from 8 September.**

The bus operator says that these moves will improve reliability and capacity on certain routes.

A review will be conducted of the bus stops on Princes Street west bound which will affect Lothian Country and East Coast Buses to stepped up boarding times and ease congestion.

## **The highlights of the changes to services are:**

32 – revised route to include Heriot-Watt's halls of residence. Stops will include West Lodge, Curriehill Station instead of Riccarton Mains Road.

33 – revised service and additional bus added to improve reliability in addition to extra journeys during the weekday peak and the early evening.

15 – This will now operate with additional journeys to Easter Bush on weekdays.

45 – Later journeys will be included on weekdays and Saturdays. On Saturdays there will now be a bus every 30 minutes.

[More information on the Lothian website](#) where maps show the bus stops affected by changes on Princes Street. Otherwise passengers are advised to call into a TravelHub or call 0131 555 6363.
