

Sponsorship boost for Easthouses FC

Easthouses Football Club have revealed their team strip for the new season, made possible thanks to a £500 sponsorship deal with Melville Housing Association.

The club is an established part of the Midlothian community with both junior and adult teams playing and training at Easthouses Public Park, just outside Dalkeith.

Stuart Maclean, for the club, said: "Without the support of the local community we would really struggle so help like this is incredibly valuable. On behalf of everyone at the club I'd like to thank Melville Housing for their generous donation."

Melville Chief Executive John McMorrow said: "The new strips look fantastic and we're delighted to see our sponsorship money put to such good use.

"Stuart and his coaching team do a fantastic job and we're extremely proud that the team will be playing matches this season under the Melville badge. We wish them all the best for the new season."
