

At Cabaret Voltaire – Jaakko Eino Kalevi

Jaakko Eino Kalevi will embark on a UK solo tour which includes a show at Edinburgh's Cabaret Voltaire on Friday 25 October.

Last November he released his wildest album yet, *Chaos Magic*.

The album features a number of exciting collaborations including the French actress and singer **Alma Jodorowsky** – granddaughter of filmmaker **Alejandro Jodorowsky** – on “Palace In My Head” and “L’Horizon”, who happened to be in Athens when Jaakko was recording the record.

Other collaborations include Jimi Tenor, Faux Real, Yu-Ching Huang and John Moods, as well as artwork by Flaminia Veronesi and illustrations by Vilunki 3000.

Before his music career took off Jaakko used to work as a tram driver in Helsinki, Finland and his self-titled 2015 album was shortlisted for the sixth Nordic Music Prize.
