

Autumn and winter style event at The Centre Livingston

The Centre, Livingston will host an Autumn/Winter style event on Saturday, 14 September, from 12-4pm with local stylist and colour expert, Leigh Maybury.

Shoppers will be able to get top tips on key trends this season and be in with a chance of winning a £50 Gift Card to treat themselves.

The free event follows on from the success of Leigh's first Spring/Summer event in May this year where visitors travelled from around the country for style tips and a colour analysis to find out which shades compliment them the most, and ones to avoid, when it comes to shopping for clothes, accessories and make up.

Leigh, a former Director at the jewellery company, Sella & Dot, qualified at the London College of Style and trained in the art of colour, before launching her own company, Life with Style in 2016. Her aim is to give people the confidence to get out of their comfort zone and try something new, not just on special occasions, but every day.

The event, which will be located near M&S, will give visitors to the shopping mall the chance to get an insight into style trends including animal prints and how to incorporate the season's key colours, like red and chocolate brown with good neutrals to help build an easy to wear Autumn/Winter capsule wardrobe.

There will also be mini colour analysis sessions on a first come, first service basis, with limited spaces available, and a live 'Style Talk' at 1pm and 3pm on dopamine dressing and how to wear bright colours that give you a natural boost and make you feel happy.

Six lucky shoppers will also be in with a chance of winning a £50 Gift Card each to spend on a new outfit on the day.

Leigh said: "I'm delighted to be back at The Centre, Livingston on the 14th September to share my top Autumn/Winter style tips and trends with shoppers.

"Whether it's an event you are going to or looking for advice on everyday wear, I'll be able to help you to find exactly what you are looking for in the wide mix of fantastic shops which will make you look and feel great throughout the season."

Patrick Robbertze, Centre Director at The Centre, Livingston, said: "We are really looking forward to having the expert stylist Leigh Maybury back into the shopping centre this month.

"Our last style event was such a big hit with shoppers who travelled far and wide to get advice on new trends and colours which is why we wanted to host another one which focused on Autumn/Winter key trends, and this time give shoppers the chance to win a Gift Card too."
