

Dates changed for three Hibs league fixtures in November

Hibs have confirmed that the dates of three William Hill Premiership fixtures have been changed.

Following Aberdeen's progression in the Premier Sports Cup, Hibs game with them on Saturday 2 November, 2024 has been re-arranged.

David Gray's men will now face The Dons at Easter Road on Tuesday 26 November, 2024, with the game kicking off at 7.45pm.

As Hibs would've had a free weekend on 2/3 November, the club requested that their home midweek tie against Dundee United was brought forward.

The match was due to be played on Wednesday 4 December, 2024, but will now take place on Sunday 3 November, 2024; 3pm kick-off at Easter Road.

Finally, the fixture away to Dundee on Saturday 23 November has been selected for live broadcast on Premier Sports.

As a result of this, the match will now kick-off at 5.45pm.

Ticket information for all three matches will be confirmed in due course.
