

Hatton 24 hour Padel session raises thousands

Believed to be the UK's first non-stop padel extravaganza, the annual Hatton Padethon raised more than £10,000 for charity Marie Curie. This was a gesture of support for the hospice which has assisted members of the club.

Highlights included a visit by ex world veterans champion Fermin Novillo who provided an exhibition while an East of Scotland team captained by Ross Murdoch defeated West counterparts.

The exercise, a repeat of last year's successful venture, was again organised by Craig McBride.

Donations are still being accepted. Go to: <https://www.justgiving.com/page/padethon2024>

- There are limited spaces available in two Malaga padel tours this October. Padethon players can enjoy 10% off and a **3 night trip from just £380**. Email craig@getinpadel.com for further details.
