

Officers carry out proactive patrols as part of Operation Sheath

Officers from South West Edinburgh have been carrying out proactive patrols over the weekend as part of Operation Sheath.

Operation Sheath is an initiative aimed at reducing knife related crime in SW Edinburgh.

Last night Saturday 21st September 2024 officers stopped numerous individuals and vehicles.

As a result of this action two people were reported for road traffic offences.

One person was reported for drug driving.

Three people were reported for drug offences and one person was arrested after being found in possession of a knife.

Operation Sheath will run throughout September and October with further dedicated patrols and days of action planned.
