

Hibs announce Ticket Exchange now open for Edinburgh derby

There will be a full house at Easter Road on Sunday 27 October, 2024 for the Edinburgh Derby that kicks off at 12 noon.

Ticket exchange is now open for Hibs fans which allows Season Ticket Holders who can't attend the game a chance to earn money off their 2025/26 Season Ticket.

Once the released seat has been purchased by another supporter, then the Season Ticket Holder will receive an online account credit of £18 that can be used against their Season Ticket renewal for the 2025/26 campaign.

Released seats are then sold at a fixed price of £36 and as this is a Category A fixture, supporters will be identified by a previous purchasing history for eligibility to purchase tickets.

This has changed from the previous 12-month purchase history criteria.

This is an online only process and tickets cannot be released or purchased through the Ticket Office for ticket exchange.

The Edinburgh Club, Albion Bar, Tornadoes and Pioneers hospitality suites are all sold out for this fixture – however limited spaces are still available in the matchday sports bar – 'Behind The Goals' and new hospitality offering, The Famous Five Experience,

The Famous Five Experience will open for the first time for the Edinburgh Derby and includes a complimentary bar, breakfast rolls and a two-course lunch post-match.

The Season Ticket Holders 'Behind The Goals' bolt-on is now sold-out for this fixture.

For Non Season Ticket Holder, a small number of GA+ tickets and Famous Five Executive seats are still available.

These include either an executive seat in the West Upper or Famous Five Upper Tiers and access to 'Behind The Goals' both pre and post-match for £60.
