It is a competition Strollers won in 2017-18 and they should continue to be boosted by the fine form of central defender Matty Shaw following his inclusion in the "team of the round" selected after a Scottish Gas Scottish Cup first round win over Cumbernauld Colts.

On the downside Josh Laing continues to be absent with a broken collar bone.

Strollers will return to Ayrshire later this month to face Irvine Meadow in the Scottish Cup – one of four successive away fixtures before returning home to face Gretna and Albion

Rovers in successive outings.

Last time out Strollers overcame Gala Fairydean Rovers 4-2.
