

BLUETTI Unveils the X20 Laptop Power Bank: A Must-have for Gamers and Mobile Professionals

For gaming laptop users, power is everything. Whether you're deep in a late-night session of *League of Legends*, taking on a challenging boss in *Elden Ring*, or competing in an online tournament, running out of battery can be a real game-over moment.

Enter the [BLUETTI X20 Portable Power Bank](#)—designed specifically to keep gaming laptops running strong wherever you are. It's a must-have tool for gamers who need dependable power on the go, ensuring you stay in the game, no matter where you play.

Introducing BLUETTI X20 Laptop Power Bank

Just slightly larger than typical power banks, the **BLUETTI X20 Laptop Power Bank** measures 205 x 205 x 77 mm (8.0 x 8.0 x 3.0 inches) and weighs only 2.3 kg (about 5 lbs). It can easily slide into backpacks. Its generous power storage justifies its size; equipped with a 153.6Wh LFP battery (48,000mAh capacity), it delivers a total output of 288W, allowing you to charge phones, laptops, tablets, and more simultaneously. With this ultra-portable charger, you can enjoy uninterrupted streaming, movie-watching, or gaming anywhere.

Power 90% Laptops for Gaming, Working, and More

The **BLUETTI X20 Power Bank** is a versatile powerhouse designed for gamers, remote workers, and anyone who's always on the go. With a powerful 20V/8A port and 12 swappable connectors, it covers 90% of laptops on the market, including models from Apple, MSI, Lenovo, HP, ASUS, Dell, Samsung, Acer, and beyond.

For gamers: When used with a mid-range 15-inch gaming laptop, the BLUETTI X20 Power Bank can provide around 2-3 full charges, extending your gaming sessions by 6-9 hours.

For remote workers: When powering a laptop for outdoor remote work, the BLUETTI X20 Power Bank provides a reliable power source for up to 12-20 hours, depending on your laptop's power consumption. This allows you to stay productive and connected, even in remote locations without access to power outlets.

Charge Everything Quickly

When you're on the move, speed matters. The **BLUETTI X20 Laptop Power Bank** features four ports for all your devices: a 100W USB-C port, two USB-A ports (18W and 10.5W), and a dedicated

160W laptop port.

In addition to its 100W dual-way fast charging USB-C port, the BLUETTI X20 Laptop Power Bank also supports a variety of fast-charging protocols, including PD 3.0, QC 3.0+, SCP, FCP, and AFC. These protocols enable your devices to charge at maximum speed through their USB-C ports, ensuring you're always powered up and ready for action.

As a powerful multi-device laptop power station, the BLUETTI X20 is able to keep your iPhones, gaming laptops, headphones, speakers, and controllers powered up simultaneously. Whether you're on the move or at home, the BLUETTI X20 ensures you're always ready for action

Built to Last, Engineered for Safety

Underneath its sleek exterior, the BLUETTI X20 Power Bank packs some serious tech. It uses a LiFeP04 battery that boasts 2,500 charge cycles, offering a lifespan of over 6 years—significantly longer than standard lithium-ion batteries. BLUETTI's integrated AI-powered Battery Management System (BMS) optimizes power efficiency and ensures the BLUETTI X20 runs cool under pressure. With an intelligent fan cooling system that activates only when needed, you won't have to worry about the device overheating—even when pushing it to its limits. Backed by a two-year warranty and safety certifications from UL, FCC, LVD, EMC, PSE, and RCM, the X20 Power Bank is as reliable as it is robust, always getting ready to withstand the rigors of gaming marathons and remote work demand.

Stay in the Game

The BLUETTI X20 Laptop Power Bank is a game-changer for gamers, ensuring uninterrupted sessions. Its versatility adapts to most laptop users' needs, whether you're on a short trip, enjoying a picnic, or working remotely. With the BLUETTI X20 Laptop Power Bank, you can power through your projects,

keep your devices charged, and stay connected wherever your lifestyle takes you, making it an ideal companion for both work and leisure.

Price and Availability

The BLUETTI X20 Portable Power Bank launches on 28th October, with a competitive price tag of ₹199. Available through BLUETTI's website and Amazon stores, this power bank positions itself as an affordable yet capable choice for those who demand portable power with a punch.
