

It's Poinsettia time at Dobbies

Dobbies Garden Centres is preparing for a blooming festive season as it welcomes 40,000 Poinsettias to stores.

Both the classic red and unique coloured Poinsettias are now available in Dobbies stores in Edinburgh and the rest of the UK with the garden centre expecting a sell-out season for all varieties. These vivid plants make a great gift to others – or just for yourself to cheer you amid the chaos that leads up to Christmas.
