

# Police release images of four people in connection with threatening behaviour and damage to a bank

Police Scotland has released images of four people officers believe may be able to assist in connection with their investigation into threatening behaviour and damage to a bank.

The incident happened on Princes Street around 1.30am on Thursday, 12 September 2024.

Enquiries are ongoing to trace those responsible and officers believe the three men and one woman pictured may be able to help with their investigation.

The first man is described as white, around 6ft tall, of slim build with black hair worn in a top knot. He may have a moustache and/or goatee beard. He was wearing a headtorch, a two-tone blue waterproof jacket, a yellow t-shirt, grey trousers, navy trainers and carrying a plain black rucksack. He had a black mountain bike with white forks and a solid black chainring guard.

The second man is described as white, also around 6ft and of slim build. He was wearing a surgical face mask, black baseball cap, black hooded top, brown trousers and navy shoes. He had a dark coloured mountain bike with a distinctive green

section at the bottom of the front forks.

The third man is described as white, of heavy build, around 6ft, with short dark hair and a short dark beard. He was wearing a black baseball cap with a large symbol on the front, red jacket with black panels on the inside arms and flanks, bottle green jogging bottoms and dark shoes. He had a black electric pedal bike.

The woman is described as white, around 5ft 5ins, of slight build with short dark hair. She was wearing a navy jumper and beige trousers. She had a distinctive white women's bike with white front and rear mud guards.

Police Constable Callum Johnston said: "I would urge these people or anyone who knows who they are to get in contact with us.

"Anyone with information is asked to contact Police Scotland on 101, quoting incident number 0211 of Thursday 12 September 2024. Alternatively, you can contact Crimestoppers on 0800 555 111 where information can be given anonymously."
