

Carlton 2nd XI finally confirmed as champions

After an anxious wait while a rival team unsuccessfully appealed a decision to dock them 20 points, Carlton cricket club's 2nd XI have finally been confirmed as East Division One champions for 2024.

The appeal centred around the Fair Play score given by clubs after every match and a successful appeal would have seen the miscreants leapfrog Carlton who won 12 of their 14 matches and will step up into next season's Championship.
