

Football For A Fiver is back at Easter Road for last home game of season

The popular initiative returns this Christmas – which will see all match tickets within the Stadium sold for just £5 for Hibs William Hill Premiership fixture with Kilmarnock on Sunday 29 December; kick-off at 3pm at Easter Road.

In what will be Hibs final match of 2024, the club is aiming for a capacity crowd inside Easter Road – with the discounted ticket campaign focussed on making football more affordable for supporters around Christmas.

As part of the campaign, all travelling supporters will benefit too – with all Kilmarnock away tickets priced at £5.

This will be the second time in recent years that Hibs have offered tickets for just £5, the first of which was back in March 2022.

Further initiatives have followed including 'Friday Night Football for £10' and discounted tickets on Halloween as we continue our effort to make football as affordable as possible for our supporters.

Ticket Prices; Adult – £5, Over 65s – £5, Under 18s – £5, Under 13s – £5

All accessible tickets are as per the price classes above with a complimentary Personal Assistant included if in receipt of a higher/enhanced DLA/PIP.

Please email accessibletickets@hibernianfc.co.uk or call 0131 656 7066 to book tickets!

As part of the campaign, the club is offering Season Ticket Holders the opportunity to book into our 'Behind The Goals' matchday sports bar for a discounted rate of just £5.

Non-Season Ticket Holders can also purchase a 'Behind The Goals' Executive Ticket for £20 which includes an executive padded seat and access to the Behind The Goals sports bar pre-match, post-match and at half-time.

Any Half Season Tickets purchased after midday on Monday 2 December will not be valid for the Kilmarnock game, and will be valid from the home match with Rangers on Sunday 5 January.
