

New restaurant offers a touch of the Med in Musselburgh

Hospitality group Buzzworks has opened its latest venture, Lido, in Musselburgh

The stylish Mediterranean-influenced cafe bar, restaurant and takeaway is now welcoming diners on the High Street for a range of meals from breakfast rolls and cakes to hearty lunches and casual evening meals.

The restaurant features a state-of-the-art, wood-fired pizza oven, bringing authentic Neapolitan-style pizzas to the community, alongside a carefully curated menu of pastas, chargrilled dishes, and indulgent desserts.

Stephen Buchanan, Buzzworks' New Openings and Project Operations Manager, said: "After months of build-up, hard work and preparation, we can't wait to finally welcome guests to Lido Musselburgh this weekend.

"We're really proud of what we've created here at Lido. Everything from our carefully curated menus to our stylish décor and outstanding levels of service are designed to showcase the passion and care that we put into everything we do.

"We have big plans for the venue, including a brand new 'to go' service which will make it easier than ever for guests to enjoy Lido's fresh flavours at home. It's set to launch early next year, and we couldn't be more excited.

"In the meantime, we can't wait to welcome the first guests through our doors on Saturday to sample a taste of the

Mediterranean right here on the east coast.”

The opening of Lido marks Buzzworks’ continued expansion plans, adding to its successful portfolio of venues across Scotland and creating more than 60 new jobs for the local community.

Lido Musselburgh is reopening on Wednesday 18 December from 9am – late daily.
