THE NIGHT COMES ALIVE AT SOMEWHERE... AFTER DARK!

Somewhere by Nico has begun its new late-night offering – Somewhere After Dark – in both Edinburgh and Glasgow, just in time for the festive season.

Somewhere After Dark will take place from 9pm to 1am every Thursday to Sunday. To celebrate the launch this weekend, guests can enjoy their choice of signature crafted cocktails on arrival for £6. On Fridays and Saturdays, the atmosphere gets even livelier with DJs spinning the hottest tracks, making it the ultimate destination to keep the party going and elevate your evening into something extraordinary.

Join us for the cocktails, stay for the vibes, and be among the first to discover the magic of Somewhere After Dark.
