

# **Colinton Community Council issue urgent plea for new members**

**Colinton Community Council have  
issued an urgent appeal for  
nominations for new community  
councillors.**

The deadline for all 47 community councils in Edinburgh is Thursday 27 February when a nomination form signed by the nominee and two residents of the local area must be returned (either online or on paper).

A spokesperson for Colinton Community Council said: “ If fewer than six nominations are received, there will be *NO* new Community Council to represent the views of the Colinton community or to ensure City of Edinburgh Council pays proper attention to important local issues!”
