

# **Bo'ness next up for busy Strollers**

**Civil Service Strollers maintain an intense spell of fixtures on Saturday, 22 March, when they entertain Bo'ness United in the Lowland League.**

Strollers currently sit eighth in the table with their opponents ninth and two points behind so a close encounter is anticipated at Christie Gillies Park, Muirhouse.

So far in March the Strollers have won four of their six games with the three pointer coming against promotion chasing Caledonian Braves (3-1).

Earlier this week Strollers drew 0-0 with Broxburn Athletic in adding to their share of the spoils against Cowdenbeath and East Stirlingshire.

On Tuesday next week (25<sup>th</sup>) Strollers welcome League leaders East Kilbride who, depending on weekend results, could be looking to clinch the title.

Strollers will certainly be hoping, at the very least, to atone for a heavy defeat on the opening day of the season at East Kilbride.

A key figure for Strollers on Saturday could midfielder Ewan McLeod, pictured in action against East Stirlingshire, and on loan from Dunfermline.

Kick off v Bo'ness United is 3pm with admission £9 and £5 with

under-16's free provided they are accompanied by an adult.
