**Scottish internationalist Aurel Szilagyi will top the bill at 70kgs against a selected opponent from the West of Scotland when the Royal Amateur Boxing Club host a 16 bout show on Saturday, 8 March, at Portobello Town Town Hall (doors open 7pm).**

Organiser Junior Burton is excited about some of his club's youngest prospects including primary school pupil James Neri.

Junior says: "As well as James who was outstanding on his last outing another to watch out for is Craig Ferrier at 67kgs as he is a real power puncher."
